RRPC0715 Series

Recycle Reprocessed Polycarbonate

Melt Flow: 7-15

Clear or Multiple Colors

VERDANT RRPC0715 Series is a reprocessed, recycle grade polycarbonate resin designed for compounders or color houses which has a melt flow range between 7-15 g/10 min. This product is available in mixed color (**VERDANT RRPC0715X**), black color (**VERDANT RRPC0715Y**), and clear/natural color (**VERDANT RRPC0715Z**).

Test	Value	Units	Test Method
Melt Flow Rate (300°C, 1.2kg)	7-15	g/10 min	ASTM D-1238
Filler Content	0.64%	%	TGA 2050
Moisture	0.02%	%	Loss on Drying
Melting Point	230	°C	ASTM D3418
Tensile Strength	8,086	psi	ASTM D638
Notched Izod Impact (73 °F)	≥ 8	ft-lb/in	ASTM D256
